the **NUROFEN** diaries

Saturday 27th march, 6pm

i emerge from my bedroom for pretty much the first time that day & the world feels uncomfortably real, the air too clear & the smell of chinese food too potent. i down 2 nurofen & a lot of spring rolls before rushing back upstairs for my 2nd snow of the day

monday 29th march, 4.30pm

the sun is shining & i literally have to get outside & soak it up before the blandness of march makes its comeback. i wheel my bike out from the garden & swallow 2 tablets before making my way out into the wind, the village houses blurring past me at the same time as writing ideas blur through my mind.

tuesday 30th march, 11.45pm

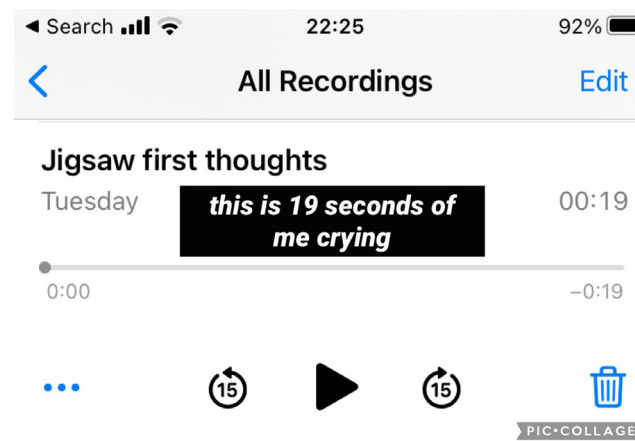

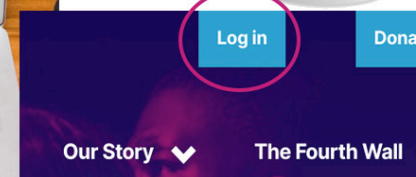

my fringe flops into my eyes, refusing to stay put after i tell back asleep. my eyelids are weighing me down & while the sun shines my mind stays clouded over. i take 2 pills & lug my laptop into the garden to edit my review, pretending it's july while i still can.

wednesday 31st march, 6pm

it is march. i was outside for literally 3 hours. & yet somehow, bc i am a parody of myself, i've given myself sunburn & maybe some very mild heat stroke. my cheeks are the shade of pink a 4-year-old would name as her favourite. once again, i dig around the kitchen for the pack of nurofen...

Theatre is a return to one of our most basic and primitive INSTINCT

THEATRE IS BOTH ELECTRICITY AND SILENCE

THEATRE IS ... THE HOME THAT ISN'T HOME

THEATRE IS A LIVED EXPERIENCE FOR A GROUP OF PEOPLE TO WORK OUT HOW WE LIVE WITH EACH OTHER

Theatre is fast yet painfully SLOW

Theatre
Is
expensive
so it
betta
be
GOOD

theatre is
not always
accessible
but should
be.

UNDEFINABLE

THEATRE IS SHIT. THEATRE IS
AMAZING. THEATRE IS BAD
ART. THEATRE IS WHAT ART
SHOULD BE. THEATRE IS
PRETENTIOUS AND DULL
AND LIFE CHANGING. THIS
ISN'T WHAT THEATRE
SHOULD BE. THEATRE IS
WHAT ALL OF US CAN BE.

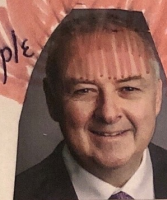

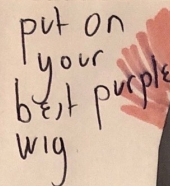

A golden, ornate picture frame with intricate scrollwork and a central medallion. Inside the frame, the text "IS THEATRE JUST A PLACE?" is written in a bold, black, handwritten-style font. The background of the slide is a light beige color with faint, repeating text from the previous slide visible through it.
